Information Day &
Utility Check
Tuesday, August 15th
3:30-6:30

We're changing things up this year! In order to save you a day of having to come by the school, we are combining Utility Check and Information Day! Utility Check will be in the gym. Information Day will be in the cafeteria. With all events, patience and understanding are always the best for all parties involved. Please be prepared to stand in line for a short time and know that everyone is in a hurry and wants to get done.

Remember the "4901 Standard"!

Below are the steps to be followed in order to make the process as smooth as possible.

- 1. Utility Check/Classroom Placement:** Take one utility bill (must be from July or August 2017) to the appropriate table in the gym. These bills must be utility bills (gas, electric, water, OG&E, ONG, City of Edmond, City of Oklahoma City). After the bills are verified with your address on file, you will be given a sheet with your student's Teacher on it. If you have a deficiency or have moved and have a new address, you will be given a form that shows your utility bills have been verified but you have some type of hold.
- 2. Information Day:** You will enter the cafeteria and go through the information tables. Here you will be able to purchase spirit wear, sign up to volunteer, set up lunch accounts and find out bus information. Be sure to stop by each table for random prizes to be given out throughout the evening!!
- 3. Meet Your Teacher!** Follow a map and head to your teacher's classroom. If you pre-purchased school supplies you can pick up your EduKit in the pod. You are also welcome to bring and drop off your school supplies!

We would also like to suggest times to come during Information & Utility Check Day to avoid long lines:

If your last name begins with the letters **A through L**, we suggest coming during the 3:30pm to 5:00pm time frame.

If your last name begins with the letters **M through Z**, we suggest coming during the 5:00pm to 6:30pm time frame.

We look forward to seeing you and we're so excited for the school year to begin!
